

Call for Papers

November 29-30, 2024

Online

[coordinated from the
University of the Ryukyus, Okinawa, Japan]

The 3rd International Conference on Japan-Bangladesh Research and Practice (JBRP2024)

Join us for the 3rd International Conference on Japan-Bangladesh Research and Practice (JBRP2024), an online event coordinated from the University of the Ryukyus and organized by the Network of Bangladeshi Researchers in Japan (NBRJ).

This conference provides a dynamic platform for researchers to present their findings, promoting interdisciplinary collaboration and intellectual growth.

Conference Tracks

Business, Humanities,
and Social Sciences

Agricultural
Sciences

Medicine, Pharmaceuticals,
and Public Health

Natural Sciences,
Engineering, and ICT

In line with the diverse tracks covered, JBRP2024 invites researchers worldwide to submit

Extended Abstracts that not only reflect their research achievements but also pertain to:

- Research Achievements
- Bangladesh and Japan
- Collaborations between Bangladesh and Japan
- Solutions to Challenges in Bangladesh

All submitted abstracts will undergo a thorough evaluation by the Track Committee Advisors.

Upon acceptance, one author from each accepted abstract will be required to present their work in an online format.

All accepted and presented extended abstracts will be published in the **Conference Proceedings** after necessary editing.

Upon evaluation of the extended abstracts and their respective presentations, selected authors will be honored with the **Best Presentation Award**.

Submission Deadline

Notification of Acceptance

Materials to Download

October 22, 2024

November 7, 2024

Registration & Payment*

Regular : 5,000 JPY per accepted extended abstract

Student : 3,000 JPY per accepted extended abstract

[Submission Guideline \(*.pdf\)](#)
[Extended Abstract Template \(*.docx\)](#)

** Upon acceptance of the submitted extended abstracts, authors are required to register and pay a fee before presentation. Researchers who are based in and conducting their research within Bangladesh will have their registration fees waived.*
