

IEEE
HNICEM
2023

CALL FOR PAPERS

DEADLINE

8th

September
2023

15th International Conference on Humanoid,
Nanotechnology, Information Technology, Communication
and Control, Environment, and Management

THEME: "Engineering the Future Through Technology
and Sustainability"

KEYNOTE SPEAKERS

PROF. TOSHIO FUKUDA
IEEE President
2018-2020

PROF. OUSSAMA KHATIB
Stanford University
USA

PROF. RAOUF NAGUIB
Liverpool Hope University
UK

PROF. JOEL CUELLO
The University of Arizona
USA

PROF. MARCELO ANG JR.
National University of Singapore
Singapore

PROF. KAORU HIROTA
Beijing Institute of Technology
China

DR. ANURADHA RANASINGHE
Liverpool Hope University
UK

TRACKS: Biomedical Robotics and Health Technologies||Computer Science, Data Science, and Algorithms||Computer Vision, Artificial Intelligence and Intelligent Systems||Education, Media, Knowledge and Business Platforms||Environment, Energy, Transportation and Infrastructure||Nanotechnology, Manufacturing and Industrial Processes||Plant, Agriculture, Farming, and Food|| Sensor Networks, Signals, and Communication Technologies

All published research articles are submitted to IEEE Xplore and indexed in SCOPUS. Previously published papers or papers under review for other conferences/journals should not be submitted for consideration.

Authors are invited to submit full paper (Maximum 6 pages, double-column US letter size) as PDF using the IEEE templates. The IEEE paper template can be downloaded from the link given below.

https://www.ieee.org/conferences_events/conferences/publishing/templates.html.

VENUE: TAG Resort, Coron

Coron is one of Palawan's most popular beach and island destinations. It has caught the attention of many due to its World War II wreck diving spots, beautiful rock formations, and unbelievably clear waters. It is also considered the more quiet and laidback sibling of El Nido, another famous Palawan destination because of its gorgeous waters and scenery.
